## DETERMINE YOUR FIRE ESCAPE ROUTE WORKSHEET

Outdoor Safety

---

**Complete the following:**

1. Make a home \_\_\_\_\_ plan.
2. Draw a \_\_\_\_\_ of your home showing all doors and windows.
3. Discuss the \_\_\_\_\_ with everyone in your home.
4. Know at least \_\_\_\_\_ ways out of every room, if possible.
5. Make sure all doors and windows leading outside \_\_\_\_\_ easily.
6. Have an outside \_\_\_\_\_ place a safe distance from the home where everyone should meet.
7. \_\_\_\_\_ your home fire drill at night and during the day with everyone in your home, twice a year.
8. Practice, using \_\_\_\_\_ ways out.
9. \_\_\_\_\_ your children how to escape on their own in case you can't help them.
10. Close doors behind you as you \_\_\_\_\_.
11. If the smoke \_\_\_\_\_ sounds, get out and stay out.
12. \_\_\_\_\_ go back inside for people or pets.
13. If you have to escape through smoke, get \_\_\_\_\_ and go under the smoke to your way out.
14. Call the fire department from \_\_\_\_\_ your home.
